Full-time, part-time, and seasonal positions are available, as are entry-level and more advanced positions.

Those interested can attend any time between 3 and 5 p.m. No reservations or appointments are necessary for the free event. Parking is free for participants, and check-in is at the Zoo's admissions area. Parents or guardians of teens are welcome to attend. Close-up Animal Encounters will also take place.

"Wild" spring and/or summer employment for adults and teens includes hosts for special events, monitors for the Condor Climbing Wall, operators to drive the Zoo Train, and actors and characters for the Zoo's live shows *California Tales* and *Dino Doc*, among others. Educators are needed for the seasonal Zoo Camps, and for the Zoo's overnight, and homeschool programs. A newly posted full-time position is Development Events Officer.

Teens as young as age 14 can apply for the Zoo's award-winning Guest Experience Specialist (GES) program. Intended to be a "first job," GES participants may rotate between jobs in guest services, restaurants, and retail stores. In addition, they are introduced to work ethics and basic skills, such as customer service and cashiering, as well as education about Zoos in general, animal care, enrichment and conservation. Applicants must be 18 and older for most other paid positions.

Information about volunteer opportunities is also available at the event. Adults are needed as docents, keeper aides, and others. Volunteer positions for teens include Zoo Camp Counselor in Training (CIT), Junior Docents, and Junior Ambassadors.
